

Bible Quizzing Season Update
By: Jaci Strasburg

The 2021/2022 youth Bible Quizzing season is going well! We are back to regular in-person quizzing. Participants are enjoying fun, food, and fellowship together as in years past. We are studying the books of Romans and James.

We added a new quizzing church this year. Pine Grove Community Church in Rhinelander is the new church home to former Appleton quizzer, Jack Henslin. When the Henslin family moved north last spring, they wanted to make sure Jack was able to continue quizzing. Although there were no Alliance churches in their new area, they found a good church home at Pine Grove. WGLD quizzing invites any church that does not have access to quizzing within their own denomination to join, and Pine Grove enthusiastically supported the start up of the new quizzing program. Their B Division team, “Conquerors in Christ” is currently in first place for the season. Since Jack is their only A Division quizzer this year, he teamed up with Marshfield’s A quizzers to form the team, “The Rolled Away Stones.” Rhinelander expects to have more quizzers join next season.

Many of our district quizzers participated in the NCD Invitational on January 14-15. The event was held at Crown College and included teams from our district, Minnesota, and South Dakota. There was great competition in both A and B divisions. Appleton A team, “The Elect,” won second place.
