
Dream Incentive Grants – 2022

For C&MA Pastors

Greetings from the National Office! THANKS so much for your faithful ministry! In Church Ministries, we highly value what takes place in the local church and seek to provide support and assistance to the local church in every possible way. One of those ways is the annual Dream Incentive Grant. This grant is provided through a generous donation that comes outside of our Great Commission Fund budget. In the last six years, 103 churches have received grants totaling \$1,274,340. The spiritual impact has been immeasurable.

We are inviting your church to apply for one of these 2022 grants. We want you, your leadership team, and your congregation to dream. What is your dream for your church's impact for Jesus Christ in your community? Is there something you'd love to do that you believe might well result in people coming to know Jesus, but you simply don't have the resources? Perhaps this is a one-time outreach project, or perhaps it is an ongoing ministry. It could be something you've already started that needs a boost or something you'd like to start.

Grants are available to churches of 300 average weekend worship attendance and under. You can apply for a grant of up to \$30,000 or any amount less than that. This year, we again will be using an online application. Here's the link to the application:

Applications that are filled out and submitted online will then go to your district superintendent for review and approval. Once your DS fills out his part online, it is automatically sent to our office for review. All applications and DS approvals are due by September 15, 2022. A team at the National Office will consider each grant prayerfully. Grants will be awarded by December 15, 2022. We can't wait to hear the dreams that the Lord is stirring in your hearts.
